新會長就職演說 - 蔡禮如會長 President' s Message for 2005

Dear Members, Supporters and Friends of 華人聯誼會;

There are over 120 Chinese Associations in Hawaii. Each association serves a different purpose. However, we all work together and in harmony. In fact, many of our Directors serve in other organizations, some as Directors and some as Presidents. As you can see, many Association Presidents were our honored guests during our Spring Banquet. Hawaii Chinese Association members are mostly new immigrants, so our main goal is to bring everyone together during our traditional holidays, such as Chinese New Year and August Moon Festival, and celebrate among family & friends. Our functions always have great food, great fun & at bargain prices. I think you all agree, because our Banquet was SOLD OUT, and we had to refuse many people.

Thanks to our Directors who contribute their time and money to bring you these events at cost. As promised, we raised \$3000 through raffle tickets and Karaoke to donate to Tzu Chi for Tsunami relief fund. On May 22, 2005 we will have a Chinese Singing festival and Karaoke competition. Please support us by buying tickets. Starting this year we will be donating \$500 Scholarship to the Chinese Music Department at the University of Hawaii to encourage the learning of Chinese Music.

Best wishes to you all. Till we meet again. Aloha!
